

# Back To School

Harold B. Lee  
Elementary  
2018-2019

**2018-2019 Theme:**

## **Kindness Champions!**

### **Welcome Aboard!**

#### **Meet Our New Teachers!**

**Jane Beckstead (1<sup>st</sup> Grade):** I discovered my love for Elementary Education while studying at Utah State University where I graduated. I am so excited for this next chapter being able to get back into the classroom! In my spare time, you will find me doing various activities with my husband and six children. Some of the many things we enjoy include playing tennis, being outside on our family's dairy farm, watching movies, and supporting all things West Side. Go Pirates!

**Rebekah Hobbs (CLCK):** Rebekah came to Cache Valley in 2005 and later on pursued a degree from USU. She and her husband, Talon, have been married for almost 8 years and have the coolest English bulldog name Chief! They recently moved back to Cache Valley last summer after a 3 year adventure in North Dakota. This area will always be home to them and the many outdoor activities they enjoy. Rebekah loves what life throws at her and is excited to join the West Side teaching brigade!

**Dawnell Greene (5<sup>th</sup> Grade):** My husband, Chad Greene and I have been married for 31 years and have raised 6 children. We are now enjoying 6 grandchildren with 1 more arriving this Fall. Most of my years, I spent as a stay at home mom and in Early Education. I have worked as a Parent Educator for Parents As Teachers, a Preschool teacher, and a paraprofessional for West Side since 2010. The last few years I have been studying at WGU for my Bachelor or Art and Special Education degree. I love teaching and look forward to a fantastic year in 5<sup>th</sup> grade as we learn and grow together.

**Cindy Moser (Kindergarten):** I have worked at H.B. Lee for 4 years in various positions. While I was working (and having fun), I realized I wanted to be a teacher for the rest of my life. I attended Utah State right out of high school but without an end goal. I am just finishing my degree in Elementary Education from WGU. The WSSD played an important part in my desire and success and I'm grateful to start a new chapter here. After moving to Idaho about 16 years ago, I met and married my best friend, Clayton, who is a life-long farmer in Whitney. Together, we have nine children and many beautiful grandchildren. We enjoy working together around our yard an home, camping, new adventures, and family. I have come to love my association with the students and staff at West Side and look forward to many future experiences. I am excited to have my own classroom of kids that I can bond with and create our very own community here at school.

### **Reminders**

#### **New Student Registration:**

August 16th from 9 am-2 pm.

#### **Back to School Open House:**

Wednesday, August 22nd from 2-4 pm

#### **First Day of School**
